Subject: Safe Firework Displays

Dear Sir / Madam, If you are planning to hold a public firework display this year then visit the Health and Safety Executive's website for the latest advice on organising a safe fire work display.
<http://www.hse.gov.uk/explosives/fireworks/> Please also remember to tell your neighbours if you are holding a display so that they can take precautions to protect pets and livestock. Fireworks can cause great distress to animals and may cause pets to run away due to the bangs, other noises and flashes.
