E-Commerce and Strategies for pulling your business out of recession

Where: Deans Place Hotel, near Alfriston

When: Tuesday 22nd June 2010 from 7.30am-10.30am

Cost: £10.00 per head (including breakfast)

You are invited to attend our next Business Breakfast on Tuesday 22nd June 2010 at Deans Place, Seaford Road, Alfriston, East Sussex, BN26 5TW.

The two topics covered at Business Breakfast include '**E-Commerce**' and '**Strategies for pulling your business out of recession**'.

E-Commerce: EDEAL will explain how to get your business online for free, and for those already well advanced in E-Commerce, the new IT techniques of 'Cloud Computing' and 'Voice Over Internet Protocol' that offer real opportunities for increasing your business productivity, profitability and customer satisfaction.

Pulling your business out of recession: Some economists are reporting that the recession is over and the UK economy is on track for a full recovery. Or is it? What do you do now? How do you emerge from what is arguably the worst economic year in two generations? John Grange from Business Link will outline strategies for your business to plan for the months ahead.

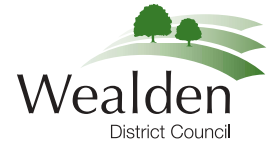

You can choose from either a full English or a healthier, Continental style breakfast, made from local produce (where possible). Afterwards there will be the usual opportunity for informal networking and the chance to make use of the 'Name Exchange' table where you can leave your business card or brochures for others to pick up.

Places are limited, so if you would like to attend please complete the form attached and return to us (along with payment, cheques made payable to Wealden District Council), by no later than Friday 11th June 2010. If you prefer you can register your interest by email to claire.moran@wealden.gov.uk and pay £10 cash on the day, I will ask to please let us know 24 hours in advance if you are unable to attend so that we do not incur a change for your breakfast.
