Grow your Business

Whether you are an established business or a recent start-up identifying and exploiting opportunities for growth are vital to ensure an enterprise's sustainability. John Grange from Business Link will be talking about ways to grow your business and how to devise a successful growth strategy. If you don't grow, you risk allowing your competitors the room to grow and take market share from you, which could seriously weaken your position.

Networking Opportunity

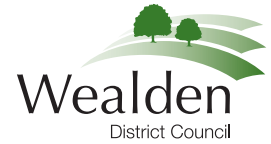

During the Breakfast there will also be an opportunity to introduce yourself to the other businesses by each taking 30 seconds to describe your business. At the end there will be the usual opportunity for informal networking.

Booking

If you would like to attend please complete the registration form and return to us by no later than Friday 11th February 2011 (along with payment, cheques made payable to Wealden District Council). If you prefer you can register your interest by email to claire.mchugh@wealden.gov.uk and pay £10 cash on the day. Please let us know 24 hours in advance if you are unable to attend so that we do not incur a charge for your breakfast.
